About us

Deepam Industries is a professionally managed company which produces Deposited Candy, Candy and Toffee with brand name PARKASH. The atmosphere within the factory is suitably conditioned to obtain the best performance from the State of the Art Equipments. Promoters of the companies have the vast experience in the fields of manufacturing and marketing of various products. They have shaped the brand to deliver consistent quality to the consumer, which makes it comparable to best the international standard.

We firmly believe in "Give and take policy" Consumer is our prime focus at PARKASH. We are not necromancer in marketing. Discussion about us is not neap because we trust in planned, systematic and smart working and believe in out man-oeuvre.

PARAKSH is philtre of phlox liking company. We aimed to the make our products most preferential. We also believe in sanctity of manufacturing and marketing. We thus firmly believe in modernization and up gradation of the facilities and strive to deliver best of the best to our consumers.

PARKASH is evidently a suitable opportunity for ambitious, aggressive and progressive businessman. We are willing to change the entire scenario of the confectionary industry because we are master in Sales & Marketing. Our goal is to cover entire urban as well as rural markets of India through the strong and robust distribution network by our meritorious team of dedicated & result oriented professionals.
